# INDEPENDENT AUDITOR'S REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF GULF NAVIGATION HOLDING P.J.S.C

#### Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Gulf Navigation Holding P.J.S.C (the "Company") and its subsidiaries (collectively referred to as the "Group"), comprising the interim consolidated statement of financial position as at June 30, 2024, and the related interim consolidated statement of comprehensive income for the three months and six months then ended, and the related interim consolidated statements of changes in equity and cash flows for the six months then ended, and explanatory notes. Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with IAS 34 Interim Financial Reporting (IAS 34). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

#### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34.

#### 2.1 Basis of preparation

These interim condensed consolidated financial statements for the six months ended June 30, 2024 have been prepared in accordance with IAS 34: Interim Financial Reporting.

The interim condensed consolidated financial statements do not include all the information and disclosures required in the annual consolidated financial statements and should be read in conjunction with the Group's annual consolidated financial statements as at December 31, 2023. In addition, the results for the six months ended June 30, 2024 may not be indicative of the results that may be expected for the financial year ending December 31, 2024.
